

## **Product Description**

**LEANMetrics® EcoBase** is designed as a low inclusion rate premix to be added to corn and soybean meal for swine finishing rations.

## **Product Outline**

- Specifically formulated for finishing pigs from 50# to market weight.
- Phosphorus levels and phytase additions formulated for maximum growth without excesses that become environmental concerns.
- LEANMetrics® Model will prescribe the feed budget that meets your herd's needs.
- Can be used with either 44% or high protein soybean meal.
- Adding Sow Nutri Pak allows you to formulate sow rations.
- Mixing time of 15 minutes suggested to get proper nutrient distribution.
- Phytase inclusion allows rations to be formulated with .1% lower inorganic phosphorus.
- Flexible ration steps allow producer to feed 3-18 rations for finishing pigs.
- Contains no added lysine allowing producer to maximize soybean meal additions or add his own synthetic lysine.
- Can be combined with Purina Mills® Pig Booster to formulate rations for pigs from 15-50# bodyweight.
- Vitamin and trace mineral levels exceed NRC 1998 recommendations.
- Available in 50# bags or in bulk.

## GUARANTEED ANALYSIS

Calcium (Ca), .....Maximum 22.0% .....	Minimum	19.0%
Phosphorus (P), minimum .....		5.5%
Salt (NaCl) .....Maximum 11.0% .....	Minimum	9.5%
Selenium (Se), minimum parts per million .....		10
Zinc (Zn), minimum parts per million .....		4,000
Vitamin A, minimum I.U. per lb. ....		135,000
Vitamin D-3, minimum I.U. per lb. ....		20,000
Vitamin E, minimum I.U. per lb. ....		650
Vitamin B-12, minimum mgs per lb. ....		0.40
d-Pantothenic acid, minimum mgs per lb. ....		1,500
Phytase* units, minimum FYT per lb. ....		5,675

\*One phytase unit liberates one micromole of inorganic phosphorus per minute.

## INGREDIENTS

Monocalcium phosphate, calcium carbonate, salt, menadione dimethylpyrimidinol bisulfite, (source of vitamin K), magnesium sulfate, potassium sulfate, calcium pantothenate, mineral oil, zinc oxide, ferrous sulfate, vitamin E supplement, riboflavin supplement, niacin supplement, vitamin B-12 supplement, aspergillus oryzae, vitamin A supplement, zinc sulfate, manganous oxide, vitamin D3 supplement, ferrous carbonate, copper sulfate, ethylenediamine dihydriodide, calcium iodate, magnesium oxide, and sodium selenite.

RUMINANT MEAT AND BONE MEAL FREE

## FEEDING AND MIXING DIRECTIONS

See your Purina Feed Dealer or sales representative for feeding recommendations.

CAUTION: Enhance product shelf-life by avoiding prolonged storage, particularly under adverse heat, humidity and direct light conditions. While some vitamins have been increased to compensate for unexpected destruction/loss, product best used within two months of purchase.
