

Product Description:

Purina Mills® Pork Grower Chow® is an economy 15% protein, complete feed for pigs from 50-100 lbs bodyweight. A companion economy product is Pork Finisher which can be fed from 100 lbs to market.

Product Outline:

- Requires no mixing. With a complete feed, time is freed-up for other work.
- Insures quality control. Gives confidence that the feed will produce consistent results.
- Eliminates producer formulation error. Gives confidence that producers will have a correct feed for the lifestage of their animals.
- Improves feed conversion. Hogs digest pellets effectively vs. meal form diets
- Reduces feed wastage. Hogs waste less feed due to the size of particles.
- Reduces dust.

DIRECTIONS:

See your Purina Feed Dealer or sales representative for feeding recommendations.

IMPORTANT:

Follow these management practices:

1. Provide a source of fresh clean water and adequate drinking space at all times.
2. Any ration change should be made gradually.
3. Provide warm draft-free quarters with clean dry sleeping area for sows and litter.
4. Feeders should be well managed so as to provide adequate feeder space, prevent moisture condensation, mold and insect development.
5. Consult your veterinarian for recommended health programs in your area.

CAUTION: Store in a dry, well ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness or death.
