IMPORTANT: This product is to be fed only to the animal species as directed on this label. Follow these management practices:

1. Provide a source of fresh, clean water and adequate drinking space per pig at all times.
2. It is essential that the recommended mixing ratios of Nature's Match™ Grow-Finish Concentrate to ground grain be followed.
3. Provide draft-free pen with clean, dry sleeping area.
4. When using a self-feeder, make sure it is adjusted to minimize feed wastage. Feeders should be well managed so as to provide adequate feeder space, prevent moisture condensation, mold and insect development.
5. Consult your veterinarian for recommended health programs in your area.

CAUTION: Store in dry, well ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness or death.
