

PURINA MILLS[®]
Retail NATURE'S MATCH[™]
SOW AND PIG CONCENTRATE
FEED
203R

FOR ALL CLASSES OF SWINE
Available outside of Midwest USA

Product Description

Nature's Match[™] Sow and Pig Concentrate Feed is a traditional multi-purpose, all-natural concentrate that provides all the protein, minerals and vitamins necessary for growing and finishing pigs (25lbs to market) and the breeding herd. A 36% protein product to be mixed with your grain for many life stages.

Product Outline

Convenient

- Multi-purpose, all-natural concentrate that greatly simplifies product inventory.
- Competitively priced for economical performance. Available in bag or bulk.
- Use your own grain.
- Provides optimized performance through high quality ingredients and strict quality control and manufacturing procedures.
- Grower-finisher ration sequence (starting at 25lbs) can be set up specifically to match the genetic potential of your herd. Consult the tag or your nutrition representative for specific mixing directions.
- Allows mixing rations for replacement gilts, lactating sows, gestating sows and boars from one supplement.

Nutritionally sound

- Precisely formulated in nutrients to optimize growth and performance.
- 36% protein product with an amino acid balanced formula for high performance
- Using organic selenium means improved bioavailability, increased bioactivity and better retention for use in many important metabolic pathways, including immunity.
- Contains two crystalline amino acids (lysine and methionine) for superior amino acid balance.
- Pharmacological copper levels added to support sow performance. Born alive, sow longevity and milk production are positively influenced.
- High quality vegetable oil delivers maximum energy and digestibility.
- Supplemental chromium to support sow productivity.

Environmentally friendly

- Nature's Match[™] ingredients and formulation reduce manure phosphorus excretion.
 - Phytase minimizes phosphorus excretion in manure while maintaining skeletal development and growth, and phosphorus-dependent enzyme systems.
 - Good for the environment by reducing phosphorus run-off into waterways.
- Nature's Match[™] feed contains technologies to help reduce ammonia release from manure.
 - Nature's Match[™] feed can reduce odor - a) by using crystalline amino acids, b) by reducing nitrogen loss from manure, c) by reducing ammonia release within the gastro-intestinal tract.
- Technologies in the Nature's Match[™] program reduce manure viscosity, which means:

Nature's Match[™] Sow & Pig Concentrate Feed

- o Reduced viscosity/reduced stickiness.
- o More uniform slurry.
- o Facilities may take less time to power wash.
- o Better sanitation - reduced microbial load.

NATURE'S MATCH™ SOW & PIG CONCENTRATE

FOR GILTS, GESTATING AND LACTATING SOWS AND ADULT BOARS 25 POUNDS TO MARKET

CAUTION: USE ONLY AS DIRECTED
GUARANTEED ANALYSIS

Crude Protein, (Min).....	36.0 %
Lysine, (Min).....	2.50 %
Crude Fat, (Min).....	1.0 %
Crude Fiber, (Max).....	7.2 %
Calcium (Ca), (Min).....	3.0 %
Calcium (Ca), (Max).....	4.0 %
Phosphorus (P), (Min).....	1.65 %
Salt (NaCl), (Min).....	2.25 %
Salt (NaCl), (Max).....	2.75 %
Selenium (Se), ppm, (Min).....	1.15
Zinc (Zn), ppm, (Min).....	625
Phytase (A, Oryzae), FYT/b, (Min).....	3,225

One phytase unit liberates one micromole of inorganic phosphorus per minute. Contains a source of phytase which can hydrolyze phytate increasing the digestibility of phytin-bound phosphorus in swine diets containing corn or soybean meal.

INGREDIENTS

Dehulled Soybean Meal, Corn Gluten Feed, Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, Salt, Choline Chloride, Soybean Oil, L-Lysine, Chromium Tripicolinate, Bacillus Subtilis Fermentation Product Dehydrated, Maltodextrins, Dried Yucca Shidigera Extract, Brewers Dried Yeast, Selenium Yeast, Wheat Middlings, Calcium Chloride, Lecithin, Glycerol Monostearate, Iron Oxide, Olive Oil, Calcium Stearate, Inositol, Dried Bacillus Licheniformis Fermentation Product, Sodium Sulfate, Dextrin, Cellulose, Dried Aspergillus Oryzae Fermentation Extract, Vegetable Oil, Kaolin, Starch, Calcium Pantothenate, Condensed Fermented Corn Extractive, Roughage Products, Vitamin A Acetate, Cholecalciferol, DL-Alpha Tocopheryl Acetate, Manganese Sulfate, Vitamin B₁₂ Supplement, Manganese Oxide, Riboflavin, Copper Sulfate Biotin, Nicotinic Acid, Menadione Dimethylpyrimidinol Bisulfite, Zinc Sulfate DL-Methionine, Ethylenediamine Dihydrochloride, Zinc Oxide, Ferrous Sulfate, Copper Chloride, Folic Acid, Thiamine Mononitrate, Pyridoxine Hydrochloride, Iron Sulfate, Sodium Selenite.

RUMINANT MEAT AND BONE MEAL FREE

DIRECTIONS:

Feed as directed by your local Purina Mills Feed representative.

Important: This product is to be fed only to the animal species as directed on this label. Follow these management practices:

1. Provide a source of fresh, clean water and adequate drinking space per pig at all times.
2. Provide warm draft-free quarters with clean dry sleeping area for sows and litter.
3. Feeders should be well managed so as to provide adequate feeder space, prevent moisture condensation, mold and insect development.
4. Consult your veterinarian for recommended health programs in your local area.

CAUTION: Store in dry, well ventilated area protected from rodents and insects. Do not feed moldy or insect infested feed to animals as it may cause illness or death.
